MusicMakers LLC: Private Lessons Terms and Conditions

MusicMakers, LLC will provide private music lessons to students. Although we strive to keep each student with the same teacher for every semester and recognize the importance of consistency, MusicMakers, like any other company, cannot guarantee the same teacher for every semester.

Please be aware that all MusicMakers teachers are under contract with MusicMakers to teach our clients through the MusicMakers program only, and are legally bound to a non-compete and non-solicitation agreement with MusicMakers, LLC. This forbids the teacher from teaching current or recent MusicMakers students or their families/referrals "on the side," outside of the MusicMakers program. Teachers understand that legal action will be taken if they are found in breach of this contract.

Terms of Payment: All tuition payments shall be paid by check or money order made out to "MusicMakers, LLC", by credit card, or in cash. *Please note that our teachers are not authorized to accept payment directly from the Student.*

Tuition payments shall be made as follows:

Pre-pay Plan: Discounted payment is made in full before the first lesson.*
Monthly Plan: Payment is made via postdated checks or credit card kept on file and charged/deposited as follows:

Fall Semester: 5 equal payments due August 15, Sept 15, Oct 15, Nov 15, Dec. 15
Spring Semester: 5 equal payments due January 15, February 15, March 15, April 15, May 15
Summer Semester: 2 equal payments due June 15, July 15

** If you choose the Pre-pay Plan but neglect to pay the tuition in full before your first lesson of the semester, you will automatically be changed to the Monthly Plan and billed accordingly. Sorry, we cannot make an exception.*

Late Payment Policy: A default charge of 1.5% per month of the unpaid balance will be charged if payment has not been received within ten days of the due date. Student, or parent of student in the case of a minor, shall be liable for all costs of collection hereunder - including but not limited to legal fees and bank fees. There is a \$35 return check fee if a payment should bounce.

Lesson Withdrawal/Refund Policy: In order to withdraw and receive financial credit, students must submit a **written** withdrawal letter to the MusicMakers, LLC. Notice to the instructor is not sufficient. Non-attendance does not constitute a withdrawal, and no deduction is made for temporary absences. The policy is based on the assumption that the student has paid the tuition in full prior to the date of withdrawal. Registration is based on a semester commitment. Therefore, the remaining tuition installments are not dismissed if withdrawal occurs before the balance is paid. Registration fees are non-refundable.

Due to contractual obligations for instruction and services, our policy is based on the schedule below:

Written termination letter from student received:

Before the first lesson: 100% refund within the first 3 weeks: 40% refund
within the first 2 weeks: 60% refund within or after first 4 weeks: no refunds

Make-ups/Cancellation Policy:

The only guaranteed make-ups are for teacher absences and weather cancellations. Teachers try their best to make up student misses whenever possible, so long as 24 hours notice is given. All make-ups must be completed during the same semester & cannot be rolled over. Designated make-up weeks are available, as well as special arrangement with teachers. "No shows" will not be made up.

Teaching music is a profession, a business, and an art. Please note that these policies are in accordance with the recommended professional policies of the Music Teachers National Association. Policies are presented which allow our teachers to devote their continued energy to helping other people create and enjoy music.

I have read and understand these policies.
